

# A Roadmap That Helps You Arrive at a Destination for Better Employee Benefit Plans

At ACS Benefit Services, we understand that finding high-quality, cost-effective health plan options for your clients can be a significant challenge. With a proven track record of providing automotive industry employer groups of all sizes with innovative health benefit solutions that are backed by the highest level of service and support — we're here to help you reap the benefits of self-funding.

**With ACS TrueFunding, one client in the automotive industry was able to move from a level-funded TPA and save \$134,521 a year.**

## Before Coming to ACS:

- Level-funded plan with a TPA
- Current Year Max Cost: \$410,835 (with \$100k laser on one employee)
- Facing 37.5% renewal increase to \$563,690 max costs (with \$100k laser)

## With ACS:

- ACS TrueFunding plan (flexibility, predictability, transparency)
- Firm & Final Max Cost with ACS: \$429,269 (with no laser)
- Total Savings with ACS: \$134,521

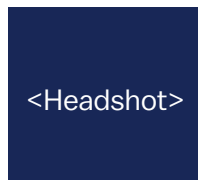

## We take pride in working with the broker community and serving clients in the automotive industry, including:

- Auto Dealers
- Motorcycle Dealers
- ATV Dealers
- Heavy Truck Dealers
- RV Dealers
- Boat Dealers

## How TrueFunding Works

Employer groups pay a predictable monthly amount

The client accrues the interest on the claims funding account

Employers regain control of their healthcare spend and realize true savings
